

**CITY OF PINE ISLAND
ORDINANCE NO. 166 SECOND SERIES**

**AN INTERIM ORDINANCE AUTHORIZING A STUDY AND IMPOSING A
MORATORIUM ON THE OPERATION OF CANNABIS BUSINESSES**

THE CITY COUNCIL OF THE CITY OF PINE ISLAND DOES ORDAIN AS FOLLOWS:

ARTICLE I. Authority and Legislative Findings.

- A. The Minnesota Legislature recently enacted, and Governor signed, 2023 Minnesota Session Laws, Chapter 63 – H.F. No. 100 (“Act”), which is comprehensive legislation relating to cannabis including, but not limited to, the establishment of the Office of Cannabis Management (“OCM”), legalizing and limiting the possession and use of cannabis and certain hemp products by adults, providing for the licensing, inspection, and regulation of cannabis businesses and hemp businesses, taxing the sale of cannabis flower, cannabis products, and certain hemp products, establishing grant and loan programs, amending criminal penalties, providing for expungement of certain convictions and providing for the temporary regulation of certain edible cannabinoid products.
- B. The Act provides local units of government certain authority related to cannabis businesses, including the authority to (1) require local registration of certain cannabis businesses operating retail establishments, (2) adopt reasonable restrictions on the time, place, and manner of the operation of cannabis businesses, provided that such restrictions do not prohibit the establishment or operation of a cannabis businesses, (3) limit the number of certain cannabis businesses based on the population of the community, and (4) prohibit the operation of a cannabis business within 1,000 feet of a school, or 500 feet of a day care, residential treatment facility, or an attraction within a public park that is regularly used by minors, including a playground or athletic field.
- C. The Act requires the OCM, which was established effective July 1, 2023, to work with local governments to develop model ordinances for reasonable restrictions on the time, place, and manner of the operation of cannabis businesses. The Act also requires the OCM to establish additional rules and regulations relating to the operation of cannabis businesses. The City will benefit from reviewing and analyzing the OCM’s model ordinances, rules and regulations before making any decisions related to the regulation of cannabis businesses in the City.
- D. The Act (Minnesota Statutes, section 342.13(e)) expressly allows a local unit of government that is conducting studies or has authorized a study to be conducted or has held or scheduled a hearing for the purpose of considering adoption or amendment of reasonable restrictions on the time, place and manner of the operation of cannabis businesses to adopt an interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting the planning process and the health, safety, and welfare of its citizens. The interim

ordinance may regulate, restrict, or prohibit the operation of cannabis businesses within the jurisdiction or a portion thereof until January 1, 2025.

- E. Given the uncertainty regarding the model ordinances to be developed by the OCM and the broad scope of the changes to Minnesota law brought about by the Act, the City desires to adopt an interim ordinance for the purpose of protecting the planning process and the health, safety, and welfare of its citizens.
- F. The City desires to conduct a study for the purpose of considering the adoption or amendment of reasonable restrictions on the time, place and manner of the operation of cannabis businesses as well as the other regulations local units of government may adopt under the Act.
- G. On July 18th, 2023, after providing at least 10 days published notice, the City Council held a public hearing regarding the consideration and adoption of an interim ordinance prohibiting the operation of cannabis businesses within the City until January 1, 2025.
