### Online Pool Sign Up System

Our online park rental system went live in March and we are excited to see rentals being made with this new feature! The city is completing the final touches of the aquatic center portion of this software and is excited to have it go live on May 1st at 10am. This will allow for online swim lesson sign up and pool pass purchasing by e-check or credit/debit card. Swim lesson sign up can still be completed in person at City Hall starting May 6th for those wishing to pay cash.

The online shop can be found [HERE](#)
